OLAYODE ENOCH

SOFTWARE ENGINEER

PROFILE

I am Enoch, a Full-Stack web developer and creative software engineer with 6+ years of experience in Web Development and professional software development. I deliver the solutions you want and need for your organization to reach your goals. I am a great team player and always ready to learn more as needed for the success of projects.

I don't just write and deliver codes; I develop solutions that scale. I have experience working with different brands and they have recorded massive success.

My Core Skills are HTML5, CSS, Figma, JavaScript, Bootstrap, Tailwind, jQuery, Vue JS, React JS, PHP, Laravel, Flutter, WordPress, MySQL, Python, SEO, APIs, Flutter, AWS, Azure, Docker, Git, and other programming languages.
